

# Ultra-Reinforced USB A / USB C Cable 3A 1.2m FastCharge 15W Gray + Lifetime Warranty Force Power

## Descriptif produit

### High performance Lifetime Warranty products. Made from 100% recycled plastic.

Fast Charging and Syncing (15W Fast Charge)
Enjoy fast charging up to 15W (3A) and smooth synchronization for your smartphones, tablets, and accessories. Its quality components ensure stable data transfer as well as high-performance, safe daily charging from a traditional USB-A port.

One single cable for your USB-C devices
Ideal for connecting all your USB-C devices (Android smartphones, iPhone 15 Series and later, tablets, wireless earphones, power banks) to any wall charger, car USB outlet, or computer equipped with a standard USB-A port.

High-Resistance Technology
The cable features a SteelTek® coating for extreme strength: 15 times stronger than steel, offering tensile resistance up to 50 kg.

Ultra-reinforced internal construction
Heat-sealed metal clip preventing connector tear-off.

Component insulation
Metal cable jacketing with a Vectran® layer against electrostatic shock.

Highly robust articulated design
Engineered to bend and withstand up to 50,000 180° flexes without damaging your cable.

USB A / USB C Connector
The perfect bridge between your traditional chargers and recent devices. Enjoy the simplicity of the reversible USB-C connector while maintaining compatibility with all your standard USB-A ports.

Smart Companion included with your product
A clever cable tie is included with your product to easily wrap and carry your charging cable.

Lifetime warranty
Force Power replaces your charging accessory with a brand new one if it gets damaged!

Eco-designed with 100% recycled plastic
This product is made from recycled plastic to reduce single-use plastic consumption and promote the circular economy.

Product recycling program
Prepaid return of old products for recycling to promote the circular economy.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
