Powerbank 12000mAh 1 USB A port 15W FastCharge Dreamy Lilac Fresh'n Rebel

Descriptif produit

This amazing powerbank is here to save the day. Never leave home without an extra source of power for your wireless devices, such as your smartphone, tablet, headphones, portable speaker or gaming console. The 12000 mAh Powerbank charges your phone 4 times and your tablet 2 times.

Pocket size
All Powerbanks are nicely shaped, ultra-light and designed to fit in any pocket or bag. They are small in size, yet very powerful and the perfect companion for your travels. With the new "high density" compression technology, we've been able to reduce the size and weight of our Powerbanks by over 30%, while maintaining the same capacity.

Connections
Charge multiple devices. With the USB-C port, you can charge the Powerbank itself, but also devices like your phone, speaker or headphones. With the USB port on the Powerbank, or even the 2 USB ports on the 18000 mAh Powerbank, you can charge 2 or 3 devices at the same time.

Power Indicator
Never run out of power. All Powerbanks are equipped with a power indicator, allowing you to check the battery level at any time. Press the button to immediately see how much battery power is left.

Safety Feature
All Fresh 'n Rebel Powerbanks are equipped with 6 safety features to ensure the safety of all your devices. The 6 safety features protect your devices from power surges, overcurrents, overheating, overcharging, overdischarge and short circuits. These pocket chargers can also be safely transported on airplanes as they are UN38.3 approved by the airlines.
Overvoltage protection
Overcurrent protection
Protection against overheating
Protection against overloads
Protection against excessive discharge
Protection against short circuits

Quality materials
Powerbanks are made of lightweight, flexible materials with soft curves. On the side, you'll find a vegan leather label with our embossed logo, and on the top of the Powerbank, soft LED status indicators. Always charge your devices in style.

Charging
Use Powerbanks to quickly charge your devices when you're on the go or too far from a wall outlet. The Powerbank itself also charges in no time and is ready for use before you know it. See the chart below for full details on charging times.

Universal - Port(s) USB A

Color : **Dreamy Lilac**
