

AWARE Lightning Earphones In-Ear Black JBL

Descriptif produit

Pure JBL sound combined with smart ambient noise management

Adjustable noise cancellation
These Lightning earphones allow you to control the level of surrounding noise to stay aware of your safety. Enjoy total musical immersion or stay attentive to external announcements with a simple gesture.

Direct digital connectivity
The Lightning connector ensures lossless audio transmission for superior sound quality compared to traditional cables. You benefit from the JBL sound signature with deep, punchy bass.
