

Tune 205 3.5mm Jack Earphones Earbud Gold JBL

Descriptif produit

Its Pure Bass is powerful. Now you can even take it with you.

JBL Pure Bass Sound

For nearly 70 years, JBL has worked tirelessly to improve the precise and impressive sound found in large event venues around the world. These earphones reproduce that signature JBL sound, producing deep and powerful bass.

One-Button Hands-Free Kit

Control your music with a convenient one-button Universal Remote. Got a call? Answer it easily with the built-in microphone.

Tangle-Free Flat Cable

The T205 features a long-lasting, tangle-free flat cable.

Comfortable Ergonomic Earcups

The soft, comfortable ergonomic earcups provide optimal listening comfort.

Premium Metallic Housing

The high-quality finish gives your earphones (and you) a stylish and sophisticated look.

Soft carrying case

The T205s are easily stored and transported in their included soft carrying case.
