

Bluetooth® Speaker 15W Luminous Unicorn Bigben Audio

Descriptif produit

Thanks to its audio quality and lighting effects, the Bluetooth® Lumin'US speaker will become your favourite everyday companion.

Get up with your favorite songs and go to bed with soothing light effects! Bring a little magic and enchantment to your home with its unique design.

Equipped with Bluetooth® technology, the Lumin'us wireless speaker allows you to easily connect to different devices in the house. Always enjoy your favorite playlists from your tablet or smartphone.

Connectivity: Bluetooth® is not your thing? With its integrated auxiliary jack and USB port, the Lumin'us speaker still allows you to play your music at any time!

Battery life: The Lumin'us Bluetooth® speaker has up to 8 hours of battery life. Equipped with a lithium battery, it is easily recharged thanks to a Universal USB port.

RGB remote control: Your Lumin'us speaker comes with a remote control. Change the color and intensity of your light speaker in one click according to each moment of your day!

Power: Thanks to its 15W power, your speaker plays your best songs in every room of your home. Also usable outdoors, the most successful Garden Parties are yours!
