

USB C / Lightning Cable 3A 2m PD 60W White Bigben

Descriptif produit

Whether you're at home, on the go, or on the road, just plug in your cable to keep your mobile devices charged.

Convenient and essential
Adapted for your daily use, whether at home, in the office, in the car, on the go or for sharing with family and friends. Sync music, photos, or data and charge your devices : phones, powerbanks, tablets, etc.

Fast charging speed and synchronization
This USB C to Lightning cable supports output currents up to 3A for fast charging and powering compatible devices.

Reversible design and construction
The cable connector is reversible, making connections even easier.

A more convenient 1.2m cable length
1.2m cables are commonly used to connect your device to your computer, charger, or external battery. Longer than traditional 1m cables, they offer greater convenience while remaining compact.

Authenticity and MFi certification
MFi (Made for iPhone, iPad, and iPod) certification ensures perfect charging and synchronization compatibility with your Apple device.

Charges all your iOS devices
Supports a wide variety of devices compatible with Lightning connectivity.

Fully Recyclable Eco-Friendly Packaging
Cardboard (certified from responsible forest management), vegetable-based glue, and soy ink.

Product Upcycling
Prepaid return of old products for recycling to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
