

Woven material USB C / USB C Cable 3A 2m PD 60W Pink Bigben

Descriptif produit

A cable with a strong, colorful and elegant braided coating to charge your mobile devices

Convenient and essential
Adapted for your daily use, whether at home, in the office, in the car, on the go or for sharing with family and friends. Sync music, photos, or data and charge your devices : phones, powerbanks, tablets, etc.

Braided nylon covering
Fiber braiding makes your cable extremely strong and prevents it from tangling. It offers better longevity compared to traditional cables, while making storage easier.

Stylish and colorful design
Their aesthetic and trendy color add a touch of personality to your charging cable. The pattern created by braiding also adds elegant visual texture.

Fast charging and synchronization speed
This USB C to USB C cable supports output currents of up to 3A for ultra fast recharging and powering of compatible devices.

Power Delivery 3A Compatibility
To benefit from the ultra-fast Power Delivery charging speed, you need a charging cable with a minimum current of 3A, an Apple or Android device compatible with this technology, and a USB Power Delivery compatible charger.

Reversible design and construction
The cable connector is reversible, making connections even easier.

Convenient 2m lenght
Extended length enough to reach your nightstand, desk, sofa, bed or the backseat of your vehicle from the electrical outlet. Twice as long as conventional cables, they allow you to move freely while charging to facilitate your various activities.

Charges all your USB C compatible Android devices
Supports a wide variety of devices compatible with USB C connectivity.

Fully Recyclable Eco-Friendly Packaging
Cardboard (certified from responsible forest management), vegetable-based glue, and soy ink.

Product Upcycling
Prepaid return of old products for recycling to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
