

Samsung Galaxy A10 Case Ultra thin Designed for Samsung Transparent Blue Samsung

Descriptif produit

The ultra-slim transparent case that preserves the original thin profile and design of your phone while protecting it daily

Ultra-slim and lightweight design
Enjoy an almost invisible protection that preserves the original slimness of your device. Its ultra-thin and lightweight profile perfectly matches the phone's contours without adding extra weight or bulk.

Flexible and durable material
Crafted from a soft yet resistant material, this case offers excellent everyday durability. It effectively shields your smartphone against scratches, scuffs, and light impacts.

Transparent and elegant protection
Showcase the original color and style of your phone thanks to a crystal-clear finish. Its precise custom fit ensures seamless and easy access to all buttons and charging ports.

Official Designed for Samsung certification
Guarantee flawless compatibility and a precision fit with the official certification label. It hugs every curve of your device to keep it looking as pristine as the day you bought it.
