

Adapter Archer T3U USB WiFi AC1300Mbps MU-MIMO Black TP-Link

Descriptif produit

Thanks to wireless AC technology, Archer T3U provides connections up to 3 times faster than the previous wireless standard.

Ultimate WiFi Speed

Thanks to wireless AC technology, the Archer T3U delivers connections up to 3 times faster than the previous wireless standard with next-generation WiFi: 802.11ac.

High-Speed Dual-Band Adapter for Better Connections

With AC1300 high-speed WiFi (up to 867Mbps on the 5GHz band and 400Mbps on the 2.4GHz band), the Archer T3U can handle all your online activities, from HD video streaming to online gaming and lag-free web browsing.

Mini Design

The Archer T3U features a smart design that's smaller than a typical USB adapter. Not only can it be plugged into any USB port, but it's also highly portable, making it convenient for most situations.

USB 3.0 for Faster Transfer Speeds

Enjoy ultra-fast data transfers of up to 4.8 Gbps with USB 3.0. USB 3.0 transfers data up to 10 times faster than USB 2.0 and is also backward compatible with USB 2.0.

802.11ac Wi-Fi/USB 3.0

Combined with 802.11ac Wi-Fi, USB 3.0 makes the Archer T3U ideal for HD streaming, online gaming, and downloading large files.

Improved Throughput with MU-MIMO

With MU-MIMO technology, the Archer T3U can deliver two simultaneous data streams, improving the throughput and efficiency of your entire network when used with a compatible MU-MIMO router.

Easy Installation

A user-friendly interface and a CD for simple installation via CD.

Advanced Security

WPA/WPA2 encryption for secure WiFi connections

Connector type USB A / WiFi
