

iPhone 11 Reinforced Case Life 3m Transparent + Lifetime Warranty Force Case

Descriptif produit

High-resistance protection that enhances your mobile while guaranteeing its safety - Lifetime warranty

The reinforced Life case is resistant to shocks and drops up to 3 meters.

The alliance of finesse and robustness
This ultra-resistant case has been made from materials of choice. It is the combination of 2 exclusive technologies that gives it its extreme resistance to everyday damage.

360° cushioning gel
Ultra absorbent properties capable of neutralizing side impact.

Tryax system
3D inserts around the case designed to absorb impact and disperse shock energy along three axes. Your mobile is thus protected from all sides.

Elegant finish and design
Aesthetic and resistant, its design lets you appreciate the original beauty of your smartphone while offering you the best grip.

Custom design
Fits perfectly to the design of the mobile by highlighting the control buttons. The front screen and back camera are protected by raised edges to reduce the risk of scratches. You will be able to put your smartphone on the front or back without risk.

Special anti-yellowing treatment
Made from a polymer alloy treated against yellowing, your case will keep its transparency much longer.

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
