

2-Pack iPhone 11 Pro Cases Soft tie and die Violet + Pink Colorblock

Descriptif produit

A duo of style and protection: the Colourblock pack to vary the pleasures according to your desires.

Colorblock Dual Protection

This exclusive pack includes two soft cases with trendy gradients to personalize your smartphone every day. Enjoy two different styles while ensuring your device remains protected.

Flexible Soft Material

Made of high-quality TPU, these cases combine flexibility and durability for quick and easy installation. Their soft texture provides a comfortable and secure grip with every use.

Shield Against Accidents

Each case effectively protects the back and edges of your phone from bumps and scratches. They absorb minor impacts to keep your smartphone in pristine condition.

Slim and Transparent

The form-fitting design maintains the slim profile of your phone while showcasing its original lines. The gradient colors add a touch of modernity without adding bulk to your device.
