

SAMSUNG

Samsung Galaxy S20 Ultra Folio LED View Cover Black Samsung

Descriptif produit

The Samsung LED Wallet Cover is a multifunctional case that stores cards in the interior pocket and shows you LED notifications on the outside.

On the front cover LED lights will notify you of incoming calls, messages, current time, and more. Simply press the phone's power button with a closed case to get all your information. Antimicrobial property is applied as a coating to protect the phone cover.

Antimicrobial Cover Protection
Antimicrobial property is applied as a coating to protect the phone cover.

Easy Notifications
Take a call and get notifications with the colorful LED display on the LED Wallet Cover. You can even assign custom icons to your contacts for a fun spin on caller ID.*

Keep it handy
Keep your cards accessible by slipping them into the card pocket inside the cover. That way you always know where they are: with your phone.

Upgraded protection
A case-type design offers enhanced protection for your phone, while the new fabric-like material makes the grip especially comfortable in your hand.
