

SmartphoneMount PopGrip Gen 2 Premium Adhesive Stand and Selfie Reflective Techno gridchromatic Popsockets

Descriptif produit

The useful, customizable and trendy accessory that will allow you to hold your smartphone without the risk of dropping it

The Pop Grip Premium attaches to the back case or the back of the phone and has several functions.

Allows you to keep your smartphone in hand. With your Pop Grip you can write messages with one hand without sliding your phone!

You can also take your selfies without a selfie stick: the Pop Grip will be your best ally!

Useful for watching videos on your smartphone! Thanks to this accessory you can indeed put your phone in video mode, the Pop Grip holds it!

The PopGrip allows you to secure your mobile to send SMS, to take the perfect selfie, or it can be used as a stand for watching the latest videos.

This PopGrip has an interchangeable button to change the PopTop or simply remove it to charge your phone wirelessly.
