SAMSUNG

Galaxy Buds Live True Wireless Earphones ANC In-Ear Black Samsung

Descriptif produit

With their iconic shape and ergonomic design, they allow you to enjoy your immediate surroundings more. And with its optimised loudspeaker, you'll experience perfect sound.

For all-day comfort.
Their ergonomic design is comfortable and unobtrusive with two tip sizes for a more precise fit.

Active noise reduction
Covers low-frequency ambient noise while allowing surrounding sounds to pass through so you can listen to what you want to hear

High quality calls
With three microphones and a built-in voice sensor, enjoy unprecedented call quality over wireless headsets. Optimal sound quality despite ambient noise.

A battery that lasts for hours.
Enjoy your sound during work, leisure and more with the long-lasting battery. Up to 6 hours of uninterrupted listening and up to 21 hours with the charging case.

Fast charging for longer enjoyment
Load your Galaxy Buds Live only a few minutes to resume your listening. Five minutes of charging gives you one hour of listening time
