Smart Speaker Nest Audio WiFi + Bluetooth® Google Assistant Black Google

Descriptif produit

Incredible sound. Within earshot.

Discover Nest Audio, the intelligent speaker that puts sound in the spotlight.

Just say ""Ok Google"""
Google is a great help throughout the house.

Enjoy a sound that fills the room
Listen to your music, your favourite radio stations and much more.

Control your connected home
Ask the Google Assistant to turn on the light, TV and more.

Rich, enveloping sound
With Nest Audio's bass driver, tweeter and equalizer, enjoy crystal-clear sound for vocals and intense bass that fills the room.

Impeccable sound clarity
Nest Audio adapts to your environment and everything you listen to, to provide optimal sound for music. And news, radio and audiobooks also gain clarity.
