

Bluetooth® Speaker Neon Luminous + Night light Blue Cloud M ColorLight

Descriptif produit

Enjoy this beautiful Bluetooth® speaker with a light pattern ideal for a child's room.

Download CE/EU declaration of conformity

This luminous speaker will make your little ones' rooms happy.

As a night light and Bluetooth® music speaker, it will be very useful to help your children fall asleep.

You'll be able to adjust the light intensity, the volume, the choice of music or nursery rhymes played directly with the Colorlight application.

And to protect them from the waves, you can activate a Plane mode at any time.
