

3.5mm Jack Headphones JR310 for kids with Microphone Over-ear Red JBL

Descriptif produit

Safe, lightweight, and sized for kids, the JBL Jr310 headphones are specially crafted to safely bring legendary JBL sound and fun to even the youngest music enthusiasts

JBL Safe Sound (<85dB)

JBL legendary sound designed to never exceed 85dB making them safe for even the youngest music fans.

Designed for kids

Custom designed ear cushions and headband with cool colors.

Built-in mic

Help your kids stay connected to the world with the built-in mic. They can chat easily with friends and family during downtime, or teachers while they're busy learning.

Comfort fit

Soft padded headband and ear cushions give a feathery fit on small heads.

Ultra-portable

Compact, foldable design and single-side flat cable with mic and remote combined to make music highly portable.

Make it yours – JBL Sticker set

Kids can personalize the headphones with the stickers set in the box.
