

USB C Charger Kit 65W + USB C / USB C Cable 1m White Xiaomi

Descriptif produit

Charge your devices quickly with GaN technology: The latest and most advanced charging technology to date.

Designed by GaN
- Gallium nitride is a new semiconductor material. By replacing silicon with gallium nitride, the GaN charger is smaller and lighter than ever
- The charger is only half the size of a traditional 65W laptop charger, making it easy to carry for everyday use or on the go.

Fast charging
- Maximum power of 65W, suitable for charging laptops.
- Provides up to 50W of power for the Mi 10 Pro, for a full charge in 45 minutes.
- Compatible with iPhone fast charging. Supports all iPhone models with up to 50% increase in charging speed.

Charge safely
Imported chip solutions for intelligent current identification and adaptation of the connected device to protect the battery from damage.
It has multiple protections for your devices:
- Overvoltage protection
- Input overcurrent protection
- Output overcurrent protection
- Low ripple
- Short circuit protection
- Overheating protection
- Low electromagnetic interference
- Static electricity resistance

Intelligent compatibility and universal compatibility
Intelligent identification of output currents and compatibility with a wide range of USB-C phones, tablets, laptops.
Quickly charge Apple devices using a USB-C to Lightning cable.

Cable included
A 1m long USB-C/USB-C cable is provided for easy use in any situation.
