

iPhone 13 Pro Reinforced Case PULSE 3m Transparent + Lifetime Warranty - Origin France Guaranteed Force Case

Descriptif produit

High-resistance protection that enhances your mobile while guaranteeing its safety - Lifetime warranty

Withstands shocks and drops from 3 meters.
It is the combination of 2 innovative technologies and premium materials to durably protect your mobile against shocks.

XCross Impact™
Reinforced corners thanks to a uniform diffusion of the shock wave along 4 axes. Your mobile is thus perfectly protected in the event of a fall.

Pulse Dispersion System™
3D inserts designed exclusively to absorb and disperse shock laterally

Protective raised edges
The edges and contours of the camera are reinforced with liquid silicone for all-around protection. You can thus place your smartphone on the front or back side without risk.

Elegant transparent finish and tailor-made design
Its neat transparent design lets you appreciate the original beauty of your smartphone while guaranteeing you the best grip.

Special anti-yellowing treatment
Made from a polymer alloy treated against yellowing, your case will retain its transparency for much longer.

Origine France Garantie
The Origine France Garantie certification certifies that this product was entirely made in France: processing and packaging.

From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
