

Bluetooth® Speaker RockBox Bold XS 20W Waterproof Ruby Red Fresh'n Rebel

Descriptif produit

Carry this speaker with you everywhere and never miss a party

Nomadic
Because of its ultra-compact size, you can easily take the Rockbox Bold XS anywhere with you. Its rounded edges make the speaker comfortable to touch. It's ultra-flat, so it fits easily in your pocket. The included carrying clip makes it easy to hang it wherever you want and move around with your music.

IPX5 rating
While not waterproof, the Bold XS is IPX5 rated. Feel free to take it to the beach or clean it when it gets dirty.

Dual Fun Mode
The Rockbox Bold XS Dual Fun Mode lets you wirelessly connect 2 Bold XS speakers. Turn up the volume and get the party started.

Battery life
Let the music flow! You can listen to your favorites from dawn to dusk because the Bold XS has 20 hours of battery life. Is your playlist up to snuff? If the speaker runs out of power, you can recharge it in just 4 hours.

Quality materials
The speaker is splash-proof and covered with a durable fabric. And with rubber protection, the Bold XS is always safe from shocks, no matter where you go.

Hands-free function
Want to invite more friends to your party? You can do that by using the Bold XS hands-free feature with the built-in microphone to make a hands-free phone call.
