SAMSUNG

USB A + 2 USB C Charger 65W (35W+25W+5W) PD Black Samsung

Descriptif produit

With its three ultra-fast charging USB ports, you can power up to three devices simultaneously on the go.

Super Fast Charging Technology
The USB Type-C port gives you up to 65W of power to charge your device with the incredible speed of Super Fast Charging 2.0. The USB Type-A port delivers up to 15W of power for fast charging. This powerful charger delivers a maximum total of 65W. Actual charging speed may vary depending on actual usage, charging conditions and other factors.

Two chargers in one
Charge two devices at once with this charger's built-in dual USB port. It lets you and a friend quickly charge your phone on the road. You can also charge your connected devices while keeping your phone battery at 100%.

Secure charging of your devices
It has safety features to protect your battery from overcharging, short circuiting, overheating and more.
