

USB A / microUSB & USB C Cable 2.4A 1.2m FastCharge 12W Black Bigben

Descriptif produit

This 2-in-1 cable is the ideal solution for those who prefer to limit themselves to one cable for all their devices!

Universal 2 in 1 cable for microUSB & USB C Android devices
No need to carry multiple cables when traveling, just one is enough to charge all your devices. Do you have several devices but they have different connectors? With this 2 in 1 cable, no matter what device you have, it will be able to recharge it perfectly: smartphone, tablet, speaker, wireless headphones, console, etc.

Optimal charging
Uses the latest charging technology and will allow you to charge multiple devices at the same time.

2 connectors for charging and synchronizing your data
The cable includes USB A to microUSB & USB C connectors. Its USB A end can be connected to any compatible power source: mains charger, powerbank, computer...

Ideal for daily use
Its length of 1.2m simplifies the connection of your devices and ensures easy handling during charging. Its optimal length also allows easy transport on all your trips.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use.
