

Universel Galaxy Buds Live Case Premium Leather Gray Samsung

Descriptif produit

Stylish and convenient leather protection for your smartphone

A whole new style
The genuine leather case is the style accessory par excellence. By adopting the perfect balance between elegance and protection, this case, made of noble materials, will sublimate the look of your smartphone.

A comfortable grip
Both comfortable and convenient, the leather case offers you an ideal grip. Its fine lines and genuine leather cover preserve the smoothness of your mobile while giving it better grip in the palm of your hand.

Long-lasting protection
Its optimized impact protection system and quality materials make the leather case an everyday accessory.
