

Lenovo Laptop Power supply 90W Black Port

Descriptif produit

Recharge your Lenovo laptops easily with this 90W mains charger.

The Laptop Power Supply is a replacement AC power supply for Notebooks up to 90 watts.

With 4 endpieces compatible with Lenovo's laptop, this power supply will help you out when you need it most.

What's more annoying than breaking your laptop charger? The fear of not being able to find the right charger with the right endpiece...No need to panic, the charger automatically adapts to the power of your machine and protects against any risk of excess voltage.

This power supply is very reliable and durable, with a 10-year guarantee. There is an option with additional Dell endpieces available for professionals.
