Hub USB C Multiports 4 ports USB A 2.0 Black Port

Descriptif produit

Easily connect your devices with this compact hub.

The USB 4 PORT TYPE C HUB allows you to connect your various USB devices to your USB-C computer via a single hub.
It will allow you to connect up to 4 USB-A devices and peripherals to your computer's USB-C port: mouse, keyboard, hard drive, USB flash drive, printer, smartphone etc.
It is the ideal solution to easily connect all your USB-A devices to your USB-C computer!
Small, compact and light, the HUB has an elegant aluminium design. It will be easily transportable to connect your devices to your USB-C laptop wherever you are.
The USB hub has a 30 cm long connection cable. This will give you the freedom to easily connect your devices wherever your computer's USB-C port is located. The 30cm cable will also make it easy to access the HUB to connect your peripherals.

The 4-PORT TYPE C USB HUB synchronizes your devices and allows for data transfer and device charging.
It offers a data transfer speed of 5 Gbit per second over USB 3.0. Take advantage of ultra-fast data transfer speeds that allow you to transfer large files in record time (videos, images, music etc.).
The USB-A ports are compatible with USB 3.0 devices to offer ultra fast transfer speeds. They will also be compatible with previous USB versions: you can connect all your devices easily without compatibility problems!
The HUB is universal and will work with computers running Windows, iOS and Linux as well as most Android devices. Featuring a Plug & Play interface, it will be installed and operational in a matter of moments

Connector type USB C / 4 ports USB A 2.0

Color : Black

Ref : PORT900123

EAN : 3567049001230

Pack contents : Hub USB C Multiports 4 ports USB A 2.0 + User Guide/Security/Warranty

Technical characteristics

Windows, Max OS, Chrome OS , Linux

Product size : 7,7 x 4,3 x 1,2 cm
