

Ultra-Reinforced USB C / USB C Cable 5A 2m PD 100W Gray + Lifetime Warranty Force Power

Descriptif produit

High performance Lifetime Warranty products. Made from 100% recycled plastic.

Ultra-fast 100W Power Delivery Charging and Syncing
Enjoy ultra-powerful charging up to 100W, ideal for charging your smartphones, tablets, and laptops at maximum speed. Its high-performance components ensure a 5A charging efficiency well superior to standard requirements: up to 3 times faster than standard charging.

One single cable for all your compatible Android, iOS, and PC devices
Supports output currents up to 5A to quickly charge and power all your compatible devices: computer, mobile device (iOS or Android), wireless earphones, power bank, smartwatch, audio systems, including new iPhones (iPhone 15 Series and later).

High-Resistance Technology
The cable features a SteelTek® coating for extreme strength: 15 times stronger than steel, offering tensile resistance up to 50 kg.

Ultra-reinforced internal construction
Heat-sealed metal clip preventing connector tear-off.

Component insulation
Metal cable jacketing with a Vectran® layer against electrostatic shock.

Highly robust articulated design
Engineered to bend and withstand up to 50,000 180° flexes without damaging your cable.

USB C / USB C Connector
The USB-C to USB-C format ensures instant, reversible connection for all your PC and mobile devices. Simplify your daily routine with a seamless connection that ignores insertion direction.

Smart Companion included with your product
A clever cable tie is included with your product to easily wrap and carry your charging cable.

Lifetime warranty
Force Power replaces your charging accessory with a brand new one if it gets damaged!

Eco-designed with 100% recycled plastic
This product is made from recycled plastic to reduce single-use plastic consumption and promote the circular economy.

Product recycling program
Prepaid return of old products for recycling to promote the circular economy.

Connector type : **USB C / USB C**

Color : **Gray**

Feature(s) : **Articulated and Reinforced Conception - Lenght: 2m - Charge Compatibility: 5A PD 100W**

Cable lenght : **2m**

Port(s) : **USB C / USB C**

Power : **5A**

Material : **100% Recycled Plastic**

Carbon footprint (kg CO2e) : **1.18**

Eco conception : **100% Recycled Plastic**

Ref : **FPCBLCC2M5ARG**

EAN : **3571211490180**

Pack contents : USB C / USB C Cable 5A 2m PD 100W + Lifetime Warranty + User Guide/Security/Warranty

Technical characteristics

Ultra-powerful 100W Power Delivery Fast Charge (5A) : Maximum high-speed charging for smartphones, tablets, and laptops.
SteelTek® coating 15x stronger than steel : High-density sheath withstanding tensile forces and loads up to 50 kg.
Reinforced internal build & Heat-sealed connectors : Vectran® shielding against electrostatic shocks and tear-proof connector grips.
Extreme strain relief design : Built for intensive bending, tested to withstand over 50,000 180° flexes.
Universal USB-C to USB-C connectivity : Reversible design with full compatibility across Android, iOS (iPhone 15+), and laptops.

Informations complémentaires

How the lifetime warranty works
Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.
To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:
Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest

management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
