

Bluetooth® Speaker RockBox Bold S 25W Waterproof Safari Red Fresh'n Rebel

Descriptif produit

The Bold S is ready for anything. This speaker is portable in size, waterproof and guaranteed to sound great wherever you go.

Dimensions
Because of its ultra-compact size, you can easily take the Rockbox Bold S anywhere with you. This cube-shaped speaker is the perfect companion for your daily adventures. The included carrying clip makes it easy to hang it wherever you want and move around with music.

Waterproof
Like to listen to music by the sea, on a beach or in the snow? Don't worry, because the Bold S is completely waterproof (IPX7) and if it gets dirty, just rinse it under the tap.

Dual Fun Mode
The Rockbox Bold S Dual Fun Mode lets you wirelessly connect two Bold S speakers. Turn up the volume and get the party started.

Battery life
Don't worry about draining the battery, because the Rockbox Bold S has a 12-hour battery life. The speaker recharges fully in 1.5 hours to get your music going again in no time.

Quality materials
The speaker is covered with a durable and protective "sandwich" fabric. This "bouncy", fully waterproof exterior of the speaker ensures the Bold S is protected in all situations.

Hands-free operation
Want to invite more friends to your party? It's possible by using the Bold S' hands-free feature with the built-in microphone to make a hands-free phone call.
