

Reinforced USB C / Lightning Cable 3A 1.2m PD 60W White + Lifetime Warranty Force Power Lite

Descriptif produit

Highly durable and high-performance charging cables with a Lifetime Warranty

Up to 27W Power Delivery Charging and Ultra-Fast Syncing
Enjoy ultra-fast charging up to 27W Power Delivery and 3A, ideal for charging your Apple smartphones and tablets at maximum speed: up to 50% battery in 30 minutes (up to 3 times faster than standard 5W charging).

One Cable for Your Compatible Apple and PC Devices
Supports the Power Delivery protocol to quickly charge and power all your devices with a Lightning port: iPhone (iPhone 14 Series and earlier), iPad, AirPods, power bank, or accessories, directly from the USB-C port of your laptop, Mac, or wall charger.

Sturdy and Reinforced Design
The cable features a braided nylon outer sheath that is resistant to stress and wear. Reinforced connectors with a metallic coating ensure quality and durability. Its reinforced design can withstand everyday use and loads of over 30 kg.

Sturdy Hinged Design
Designed to withstand intensive bending and up to 15,000 flexes without damaging your cable.

Reversible Design
For even easier connections without worrying about orientation.

USB-C/Lightning Connectivity
Authenticity and MFi (Made for iPhone, iPad, and iPod) certification warranty perfect charging and syncing compatibility with your Apple device.

Lifetime Warranty
Force Power will replace your charging accessory with a brand new one if it is damaged!

Eco-Designed with 100% Recycled Plastic
This product is made with recycled plastic to reduce the use of single-use plastics and promote a circular economy.

Product Recycling
Prepaid return of old products for recycling to promote a circular economy.

Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest

management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
