

USB C Charger Kit 25W + USB C / USB C Cable 1.2m Black Bigben

Descriptif produit

An eco-designed charging pack featuring Power Delivery, the fastest charging protocol on the market for mobile devices. The fast and efficient charging solution, in the office, at home or on the go. Made from 100% recycled plastic.

This pack consists of a USB C charger and a 1.2m USB C to USB C cable.

Adapted to your daily use
Practical and essential for recharging all your mobile devices at home, in the office or on the go. Compatible devices: phones, external batteries, tablets, etc.

Power Delivery: 70% Faster Charging*
Its Power Delivery-compatible charging protocol is much more efficient than conventional charging technologies. Compatible with iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices, it offers an ultra-fast, safe, and convenient alternative for charging all your devices up to 70% faster than standard 5W* technology.

Intelligent and Eco-Friendly Charging
Dynamic charge adjustment preserves the battery and reduces energy consumption, preventing the risk of overheating and extending the battery's lifespan. When you're in a hurry, our chargers give your battery a quick boost in no time.

Secure Charging
Designed for intensive daily use, it withstands high temperatures and voltage fluctuations for safe long-term use.

Power Delivery Compatibility
To benefit from the optimal charging speed of a Power Delivery charger, you need a compatible Apple or Android device, a USB Type-C to USB Type-C or USB Type-C to USB C charging cable, and a USB Power Delivery compatible charger.

1.2m USB C to USB C cable included
Essential for connecting your device to your charger, computer or external battery and charging it. Longer than traditional 1m cables, they offer greater comfort of use while remaining space-saving.

Reversible cable design
The cable connector is reversible making connections even easier.

Charges all your Android and iOS compatible devices
Supports a wide variety of devices compatible with USB C connectivity, including the new iPhone.

Eco-Designed with 100% Recycled Plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

Fully Recyclable Eco-Friendly Packaging
Cardboard (certified from responsible forest management), vegetable-based glue, and soy ink.

Product Upcycling
Prepaid return of old products for recycling to promote the circular economy.

Works with the following protocols: AFC (Samsung), FCP (Huawei), PPS (Samsung), PD 3.0 (Apple, Samsung, Fairfone, One Plus), Apple 2.4A (Apple), SCP (Huawei)

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this

is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
