Bluetooth® Speaker Player 3 35W Blue and White Polaroid

Descriptif produit

The Polaroid P3, the retro-futuristic portable speaker

The Polaroid P3 Player has some real presence. Coming in around the dimensions of a pineapple (including the 'crown', which turns out to be the proper name of that top bit), it's the choice to make for when more volume is needed. Plus, it's still a portable speaker, thanks to its polished metal handle. And while none of the Polaroid Players are designed to blend in, the Polaroid P3 speaker is a true stand-out, bringing back big boombox energy with its retro-futuristic vibes. The Polaroid P3 also features the full functionality of the Polaroid Music App, meaning you can easily set up your favorite music channels and scroll through them with the analog dial.

BOOM.
The Polaroid P3 knows how to make an entrance with its big-energy, easy-to-carry, retro-futuristic boom box design.

Use two to tango.
Sync two P3 Players together for stereo sound that's twice as nice.

Let music take control.
The free Polaroid Music app lets you control your Polaroid player with its analog dial, so you can change the music without picking up your phone. Available for Polaroid P2, P3 and P4 players.

Compatible Bluetooth®

Color : **Blue and White**

Feature(s) : **Audio Power: 35W**

Ref : **PLRMUSICP39092BLU**

EAN : **9120096774171**

Pack contents : Bluetooth® Speaker Player 3 35W + USB C Cable + User Guide/Security/Warranty

Technical characteristics

Dimensions : 300 x 140 x 70 mm
