

USB A Charger Kit 3A + USB A / USB C Cable 1.2m White Bigben

Descriptif produit

With its optimized power, this eco-designed charging pack offers fast charging to all your mobile devices. Made from 100% recycled plastic.

This pack consists of a USB A charger and a 1.2m USB A to USB C cable.

Fast Charge
With optimized power, this charger offers fast charging of all your mobile devices.

Intelligent and eco-responsible charging
Equipped with electronic management, the charger analyzes the energy needed by the device to be charged. It delivers the necessary power to preserve its battery and reduce energy consumption

Adapted to your daily use
Practical and essential for recharging all your mobile devices at home, in the office or on the go. Compatible devices: phones, external batteries, tablets, etc.

Secure use
Anti-overheating and anti-overcharging, this charger guarantees secure charging.

1.2m USB A to USB C cable included
Essential for connecting your device to your charger, computer or external battery and charging it. Longer than traditional 1m cables, they offer greater comfort of use while remaining space-saving.

Reversible cable design
The cable connector is reversible making connections even easier.

Charges all your Android devices
Supports a wide variety of devices compatible with USB C connectivity.

Eco-Designed with 100% Recycled Plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

Fully Recyclable Eco-Friendly Packaging
Cardboard (certified from responsible forest management), vegetable-based glue, and soy ink.

Product Upcycling
Prepaid return of old products for recycling to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
