

USB C Earphones Remote/Micro In-Ear Black Bigben

Descriptif produit

Earphones that combine convenientity and quality sound to accompany you in your daily life! Made from 70% recycled plastic.

An immersive audio experience
Whether listening to music or making calls from your mobile device, these wired headphones will quickly become your daily companions. Efficient, they broadcast clear and clear sound to offer you a high quality sound experience.

Built-in microphone for calls and voice recording
A microphone is built into the earbuds' remote control, allowing you to make hands-free phone calls at any time without needing to access your device. Also useful for recording all your vocals.

3-button remote control for easy, intuitive control
With the integrated remote control on the earphone cable, you no longer need to take out your device to control your music and calls. Multi-function, with a simple click you can control everything: play, pause, pick up, adjust the volume, etc.

Essential, wherever you are!
Designed to be lightweight, comfortable and compact, making them practical for everyday use. They allow you to enjoy music, podcasts, phone calls and other audio content wherever you are, whether traveling, in the office or at home.

Cable length 1.2m comfortable
The length of the cable is perfectly adapted to simplify connections while giving you total freedom of movement. These headphones fit easily in your bag, allowing you to take them with you wherever you go, so you have them at hand whenever you need them.

In-ear format: comfort and reduction of external noise
The tips adapt perfectly to the shape of your ear for optimal support and sound insulation from external noise, improving your listening experience. This format guarantees pleasant wearing and optimal comfort, even for prolonged use, while broadcasting sound directly into your ear canal.

Compatible with devices equipped with USB C port
Universal, you can use these headphones to enjoy all your content from any device compatible with USB C connectivity: smartphone, laptop, tablet, speaker, etc.

Eco-designed with 70% recycled plastic
This product is made from recycled plastic to reduce the use of single-use plastics and support the circular economy.

Fully Recyclable Eco-Friendly Packaging
Cardboard (certified from responsible forest management), vegetable-based glue, and soy ink.

Product Upcycling
Prepaid return of old products for recycling to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its

performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
