

USB C Car Charger Compact 25W PD GaN Black + Lifetime Warranty Force Power Lite

Descriptif produit

Extremely fast, smart, and safe charging to efficiently support you every day - Lifetime warranty Made of 100% recycled plastic.

Ultra-fast 25W Power Delivery in-car charging power
Enjoy fast and safe charging up to 25W Power Delivery during all your journeys. Its high-performance components ensure efficient power supply inside your vehicle and optimal protection against overvoltage and current fluctuations.

A single cigarette lighter charger for all your USB-C devices
Supports fast charging technologies (Power Delivery / PPS) on your 12V/24V socket to efficiently power your mobile equipment: smartphones (Android and iPhone 15 Series and later), GPS, compact tablets, wireless earbuds, and power banks.

GaN Technology for an ultra-compact design
Thanks to GaN (gallium nitride) technology, components are optimized to offer a significantly smaller format without compromising charging speed. Much less bulky than a traditional charger, its compact format optimizes space on crowded outlets and easily slips into a bag or pocket for daily transport.

Smart and Eco-responsible Charging
Smart charging technology automatically detects and adjusts the required power and current based on each connected device's needs, giving your battery a quick boost. When the level reaches 100%, power is cut off to prevent continuous operation, protecting your equipment, avoiding overheating risks, and prolonging battery lifespan.

Power Delivery compatibility for fast charging
Enjoy optimal recharging speed in daily use for all your compatible devices. Simply pair this charger with a suitable cable (USB-C to USB-C or Lightning to USB-C) to save valuable time with every recharge.

Robust, Secure and Reliable for daily use
Designed for serene daily use, it guarantees safe and long-lasting operation. It effectively protects your devices against overvoltage, current fluctuations, and daily impacts whether at home, in the office, or on the go.

Lifetime Warranty
Force Power replaces your charging accessory with a brand new one in case it gets damaged!

Eco-designed with 100% recycled plastic
This product is made of recycled plastic to reduce single-use plastic consumption and promote the circular economy.

Product Upcycling / Recycling
Prepaid return of old products for recycling to promote the circular economy.

Universel - Port(s) USB C PD

Color : **Black**

Feature(s) : **USB Port(s) Output: USB C 25W - Charge Protocole: PPS, PD 3.0, Apple 2.4A, QC4.0, PE 2.0, SCP**

Universal Power Delivery Compatibility : Guaranteed optimal charging speed across all compatible Apple and Android devices.

Informations complémentaires

How the lifetime warranty works
Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.
To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:
Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
