

Bluetooth® Speaker Clip 4 Eco 5W Waterproof Green JBL

Descriptif produit

Cool, portable and waterproof, the JBL Clip 4 Eco delivers surprisingly rich Original JBL Pro Sound and is made from recycled materials.

Rich JBL Original Pro Sound

Despite its compact size, the Clip 4 Eco delivers exceptionally rich JBL Pro Sound and dynamic bass.

Eco-friendly recycled materials and packaging
Innovative new eco-friendly design with the same JBL Original Pro sound performance. Made from 90% PCR (post-consumer recycled) plastic with a 100% recycled fabric speaker grille, the JBL Clip 4 Eco's design significantly reduces the amount of virgin plastic used, while also lowering the product's overall carbon footprint. It comes in sustainable FSC-certified paper packaging printed with soy-based ink.

Integrated carabiner
With the redesigned carabiner integrated into the speaker itself for added protection, take your JBL Clip 4 Eco absolutely anywhere. Simply clip it to your belt, strap, or loop and go explore the world.

Bold Style and Ultra-Portable Design
The JBL Clip 4 Eco's ultra-portable design perfectly complements the latest styles, and its colorful fabrics and expressive details make it look as good as it sounds.

Wireless Streaming via Bluetooth®
Stream high-quality sound wirelessly from your smartphone or tablet.

10-Hour Playtime
The built-in rechargeable Li-ion battery provides up to 10 hours of playtime.

IP67 Waterproof and Dustproof
To the pool. To the park. The JBL Clip 4 Eco is IP67 waterproof and dustproof, so you can take your speaker anywhere.

Hands-Free Calling
Take crystal-clear calls from your speaker with the touch of a button, thanks to the hands-free calling feature with noise and echo cancellation.
