

# USB C Charger Kit FastPower 20W + Ultra Reinforced USB C / USB C Cable 1.2m Gray + Lifetime Warranty Force Power

## Descriptif produit

### High performance Lifetime Warranty products. Made from 100% recycled plastic.

20W Ultra-Fast Power Delivery
Enjoy fast and safe charging with up to 20W Power Delivery, ideal for charging your mobile devices at optimal speed (up to 50% battery in 30 minutes) while preserving their battery life.

Complete Kit with 1.2m USB-C to USB-C Cable
Ready to use, this power kit includes a 1.2m USB-C to USB-C cable. It allows you to instantly power all your recent devices with a USB-C port: smartphones (Android and iPhone 15 Series and later), iPads, wireless headphones, and power banks.

Smart and Eco-Friendly Charging
Smart charging technology automatically detects and adjusts the power and current needed based on the requirements of each connected device. It gives your battery a boost in no time. When the level reaches 100%, the power is cut off to prevent the battery from running continuously. This technology protects your devices, prevents overheating, and extends battery life.

Power Delivery Compatibility
Enjoy the optimal charging speed of Power Delivery technology. To take advantage of this, simply use an Apple or Android device compatible with this technology, a USB-C to USB-C or Lightning to USB-C charging cable, and a USB-PD compatible charger.

Robust, Secure, and High-Performance
Made with premium components and meeting stringent technical requirements, it guarantees long-lasting performance and maximum reliability. It effectively protects against everyday mechanical and physical shocks, power surges, and high temperatures for safe use at home, in the office, or when sharing with family and friends.

Multi-Protocol Compatibility for Cutting-Edge Performance
Its Power Delivery compatible charging protocol is far more efficient than conventional charging technologies*: PPS standard compatible with USB PD 3.0 & Qualcomm QC4.0.

Smart Companion included with your product
A clever cable organizer is included with your product for easy winding and transport of your charging cable.

Lifetime warranty
Force Power will replace your charging accessory with a brand new one if it is damaged!

Eco-designed with 100% recycled plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

Product recycling
Prepaid return of old products for recycling to promote the circular economy.

**Port(s) : USB C - Connector type**

**Color : Gray**

**Feature(s) : USB Port(s) Output: USB C 20W - Cable Lenght: 1.2m - Charge Protocole: Power Delivery**

**Cable lenght : 1.2m**

**Power : 20W**

**Material : 100% Recycled Plastic**

**Carbon footprint (kg CO2e) : 2.85**

**Eco conception : 100% Recycled Plastic**

Smart Charging & Battery Protection: Power adjustment and automatic cutoff at 100% to protect the battery.
Universal Power Delivery Compatibility: Optimal charging speed for all your compatible Apple and Android devices.
Robust Design & High Performance: Premium components effectively protect against shocks and power surges.

## Informations complémentaires

How the lifetime warranty works
Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.
To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:
Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
