

Google Pixel 4A Case Fabric finish Black Google

Descriptif produit

A robust and well thought-out case

Play with elegance
With its elegant colors and machine washable fabric, your case stays beautiful, season after season.

Eco-responsible materials
The Pixel's case is made from over 70% recycled materials, including fabric made from recycled plastic water bottles.

Compatible with wireless charging
You can leave the case on the phone to charge it with the Pixel Stand or charge your Pixel Buds with the Battery Share feature.

Tight protection
Its ultra-thin design and raised edges effectively protect your screen and camera from scratches.
