

USB C Charger Kit 25W + USB C / USB C Cable 1m Black Samsung

Descriptif produit

Quickly charge your smartphone, at home or at the office. Take this charger everywhere with you.

Charging at full speed
The new 25W mains adapter takes you into another dimension where time has no hold. With its ultra-fast charge of up to 25W, you can recharge your devices in no time.

Small but powerful
Thinner and lighter, the 25W mains adapter is even easier to carry than its predecessor, thanks to GaN technology.

Stop wasting money
The 25W AC adapter reduces your power consumption when you're on standby from 20mW to 5mW, for energy savings of up to 75%. Its coating contains 20% recycled materials to be more environmentally friendly.

As safe as it is fast
Nothing is more important than your safety. The AC adapter keeps you safe from overcurrents, short circuits, high temperatures, small leaks and much more.
