

Wireless Powerbank 10000mAh 7.5W Qi / Smart Watch Charging 2 USB C ports Beige Samsung

Descriptif produit

Your device is running out of battery? Don't panic! With this external battery, recharge your smartphone wherever you are.

Plug in to charge up fast

When you're on an adventure is the time you most need power. This battery pack supports up to 25W with Super Fast Charging, giving you a quick boost with the cable.

Fast charging, no cord required

In addition to its Super Fast Charging via cable, you can rest your phone on the pack to get a wireless recharge. Powering up to 7,5W, it can wirelessly charge a range of devices.

Power up your devices all at once

With both a wireless pad and two wired charging ports, you can charge up to three devices in one go. It supports a variety of protocols to be able to charge your Qicertified phone, Galaxy Watch, and earbuds.
