

Powerbank Fuel Series 5 10000mAh 3 USB A+2C ports FastCharge Blue Xtorm

Descriptif produit

Your essential ally for staying charged and connected wherever you are!

Powerful 10.000mAh capacity
Never run out of battery again! With a robust 10.000mAh capacity, this Xtorm Power Bank ensures you have more than enough power to keep your devices charged throughout the day, whether you're on a road trip, hiking, or simply out and about. It's more than enough power to fully charge your smartphone at least 2 times!

Fast charging with 20W USB-C PD
This Power Bank features a high-speed 20W USB-C Power Delivery (PD) port, ensuring rapid charging for iPhone and Android smartphones, tablets, and other compatible devices. Even the Power Bank itself can be fully recharged in just 2.5 hours!

Three ports for maximum versality
Need to charge multiple devices simultaneously? No problem! The Power Bank boasts three ports, including the powerful 20W USB-C PD port, as well as an additional 18W USB-C and 18W USB-A port. Now you can charge your phone, tablet, and your friend's device - all at once.

Environmentally conscious design
By choosing GRS certified recycled plastic as the primary material for our Power Bank, we are able to give new life to materials. Diverting plastic from landfills and oceans, that would otherwise take centuries to decompose. Not only does the use of recycled plastic benefit the planet, but it also maintains the highest standards of quality and durability.

Airplane proof : travel with confidence!
This Power Bank complies with all airline safety regulations, making it suitable for your carry-on luggage. Stay powered up during long flights and layovers without any hassle.

Safety first
The Power Bank is equipped with multiple advanced safety features to protect your connected devices, as well as the Power Bank itself. The built-in overcharge, short-circuit, and thermal protection mechanisms safeguard against any potential mishaps, allowing you to charge your devices worry-free.

Universal - Port(s) USB A+2C

Color : **Blue**

Feature(s) : **Battery Capacity: 10000mAh**

Port(s) : **USB C / USB C**

Power : **10000mAh**

Ref : **XTORMFS5102**

EAN : **8718182277562**

Pack contents : Powerbank Fuel Series 5 10000mAh + USB C / USB C Cable + User Guide/Security/Warranty

Technical characteristics

Capacity :10000 MAh
Power : 20 W
Length : 14 cm
Width: 7 cm
