

MagSafe Wireless Powerbank Mini 5000mAh 15W Qi 1 USB C port FastCharge Metal Blue + Lifetime Warranty Force Power

Descriptif produit

A convenient wireless powerbank with magnetic attachment!

Mini Size for a Bulky Fit
Its compact design is 30% smaller than other power banks of the same capacity. This backup battery is ultra-lightweight and easily portable; slip it into your bag and take it everywhere.

Wireless Charging
No more cables! Simply attach your smartphone to the magnetic base of your power bank for instant, cable-free charging.

MagSafe/Magnet Compatible
For faster charging, this wireless charger is compatible with MagSafe and other magnetic charging systems. Its enhanced magnetic strength ensures precise alignment and a secure connection while optimizing charging efficiency.

LED Indicators
Indicate that your phone is correctly positioned and show the battery level.

Recharge in an Instant
Enjoy fast charging to get your battery back to 100% in no time. With up to 15W charging, you can enjoy ultra-fast charging when you need it most.

USB-C Charging Port

Featuring a USB-C connection, it allows you to quickly charge all your devices using a cable.

One Wireless Charger for Multiple Devices
Supports Qi-certified devices. This allows you to charge a wide range of devices with the same charger, including smartphones that are not MagSafe compatible.

Magnetic Ring Included
To make phones without MagSafe® compatible.

No Need to Remove Your Case
Charge your phone while protecting it. Charging works through cases up to 3mm thick, so there's no need to remove your case when you need to charge.

*Charging time depends on the charging capacity of the devices, as well as temperature, battery wear, the power output of the charger, and the device's charge level.

Lifetime Warranty
Force Power will replace your charging accessory with a brand new one if it is damaged!

Product recycling
Prepaid return of old products for recycling to promote the circular economy.

From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
