SAMSUNG

USB A + USB C Charger Kit 50W (25+25W) + USB C / USB C Cable 1.8m Black Samsung

Descriptif produit

With its super-fast charging dual USB port output, you can power up to two devices simultaneously on the go.

Your battery can go from zero to 50% in about 30 minutes, so you can spend less time plugged into an outlet and more time connecting with the people you care about.

Super Fast Charging Technology
The USB Type-C port lets you enjoy up to 35W of power to charge your device with the incredible speed of Super Fast Charging 2.0. As for the USB type A port, it reaches a maximum power of 15W for fast charging, for a total of 50W delivered by this powerful charger. Actual charging speed may vary based on actual use, charging conditions and other factors.

Two chargers in one
Charge two devices at once with the dual USB port built into this charger. It allows you and a friend to quickly charge your phone on the go. You can also charge your connected devices while keeping your phone battery at 100%.

Charge all your devices
Don't worry about the compatibility of this charger. The latter supports PD, QC and AFC charging protocols. You can charge your phone, that of a friend, tablets, laptops, connected objects, game consoles and much more.

Secure charging of your devices
It has safety features to protect your battery from overcharging, short circuiting, overheating and more.
