

Powerbank 20000mAh 1 USB C port 22.5W PD/QC Black Rivacase

Descriptif produit

The Powerbank that lets you quickly charge your device

Powerful and efficient
The RIVACASE external battery has a capacity of 20,000 mAh, allowing you to recharge your devices several times without worry.

Universal compatibility
Compatible with all popular models of smartphones, tablets and other mobile devices, this battery meets all your recharging needs.

Charge indicator
Convenient LED indicators tell you the battery's charge level, so you can plan your recharges accordingly.

Ideal for travel
The battery slips easily into your bag, suitcase or trousseau to accompany you and help you out wherever you go.

Fast, secure charging
This external battery can recharge up to 4 times faster than other models, thanks to Quick Charge (QC 3.0) and Power Delivery 20W (PD) technologies.
The battery is equipped with overcharge, overdischarge, overload and short-circuit protection, guaranteeing optimum safety for your devices.
