

Audio Adapter USB C to 3.5mm Jack Reinforced White + Lifetime Warranty Force Power Lite

Descriptif produit

Connect your wired headphones or earphones with a 3.5mm jack to your smartphone, tablet or PC.

Ruggedized USB-C to 3.5mm Audio Adapter - Take it anywhere
Mini and compact size for on-the-go listening. Ideal for connecting to your portable device to enjoy your music while working, jogging, or on the go.

Audio Fidelity and Acoustic Performance
Built-in high-resolution DAC chip ensures lossless digital-to-analog signal conversion. Optimized internal shielding eliminates background noise, crackling, and interference to preserve the integrity of your audio signals.

Microphone and In-Line Control Support
Supports voice signal transmission for the microphone function of your headsets and hands-free kits, as well as in-line controls for volume adjustment, play/pause, and answering calls.

Reinforced Design and Durability
Ultra-durable metal construction with aluminum alloy connectors designed to withstand shocks, twisting, and corrosion. Its high-density nylon braided cable protects the internal wiring from fraying, tangling, and everyday wear and tear.

Compact and Plug & Play
Ultra-compact and lightweight design makes it easy to carry in a pocket or bag every day. Its direct Plug & Play connection is instantaneous, requiring no driver installation.

Universal USB-C Compatibility
Works perfectly with all smartphones, tablets, and laptops equipped with a USB-C port but lacking a dedicated 3.5mm headphone jack.

Lifetime Warranty
Force Power will replace your charging accessory with a brand new one if it is damaged!

Product Recycling
Prepaid return of old products for recycling to support the circular economy.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
