Descriptif produit

Connect 2 devices equipped with an HDMI socket (DVD player, Blu-ray™, HD DVB-T adapter, HD VCR, games console... to LCD, LED, Plasma screen or video projector) for High Definition audio and video resolution.

Enhanced 10.2 Gbps Bandwidth
This high-performance cable supports resolutions up to 4K at 30 Hz for exceptional image precision. Its expanded bandwidth ensures smooth, stutter-free transmission of even your most demanding video content.

Superior Audio Experience
It incorporates Dolby TrueHD and DTS-HD Master Audio high-definition audio protocols for absolutely pure sound reproduction. This technology transforms your living room into a true acoustic stage where every sonic detail is faithfully reproduced.

Immersive Visual Experience
Thanks to its 1080p digital connection, you'll enjoy sharper, richer, and completely natural images in both 2D and 3D. Its full compatibility with 3D content ensures striking depth of field for perfect visual immersion.

19-Pin Gold-Plated Connector
The 19-pin gold-plated connector ensures optimal signal conductivity while delivering superior image and sound quality. This premium coating drastically reduces the risk of oxidation, guaranteeing increased longevity for your installation.

Triple shielding
The structure incorporates high-density triple shielding, providing infallible signal protection against electromagnetic interference. This ensures perfect connection stability, even in environments saturated with electronic devices.

Lifetime warranty
Your product will be replaced in case of failure.

Eco-designed, fully recyclable packaging
Cardboard (certified from responsibly managed forests), glue (vegetable-based), and ink (soy-based).

Product recycling
Prepaid return of old products for recycling to promote the circular economy.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
