USB C Charger Pixel Snap 45W PD White Google

Descriptif produit

Plastique

An official Google charger, compact and powerful
The 45W USB C wall charger is an original accessory designed by Google to provide fast, reliable, and secure charging for all your USB C compatible devices. Combining a sleek design, compact size, and powerful performance, it's perfect for everyday use, whether at the office or on the go.

45W of power for efficient charging
With 45 watts of power, this charger is perfectly sized to power devices like the Pixel 7, Pixel 8, Pixel Tablet, as well as compact USB C compatible laptops and tablets. It supports USB Power Delivery technology, ensuring smart and fast charging according to the needs of each device.

USB C connector for universal compatibility
Equipped with a single USB C port, this charger can be used with a wide range of devices, from smartphones to tablets and small laptops. Simply connect a USB C cable to enjoy fast charging without compromising on safety or performance.

A compact size for maximum mobility
Designed to go everywhere with you, this charger stands out for its lightweight and discreet design, making it easy to slip into a bag or laptop sleeve. Its elegant white finish and understated design blend seamlessly into any work or travel environment.

Built-in safety and guaranteed reliability
Designed by Google, this charger features the best protection against overheating, overcharging, and short circuits. It ensures safe use for all your devices, and its build quality guarantees superior longevity compared to generic chargers.
