

Reinforced 2 in 1 USB C / USB C & Lightning Cable 3A 1.2m PD 60W White + Lifetime Warranty Force Power Lite

Descriptif produit

Highly durable and high-performance charging cables with a Lifetime Warranty

Universal 3-in-1 charger for all Android & Apple devices.

3 ports: 1 Lightning port + 2 USB-C ports allow you to charge all your devices: smartphone, tablet, speaker, wireless headphones, game console, etc. No need to carry multiple cables when you're on the go; a single cable is all you need to charge all your devices.

60W Charging Power, Power Delivery, and Ultra-Fast Syncing
Enjoy ultra-powerful charging up to 60W, ideal for charging your smartphones, tablets, and laptops at maximum speed. Its high-performance components ensure a 3A charging efficiency far exceeding standard norms: up to 3 times faster than standard charging.

One cable for all your compatible Android, iOS, and PC devices
Supports output currents up to 3A to quickly charge and power all your compatible devices: computer, mobile device (iOS or Android), wireless headphones, power bank, smartwatch, audio systems, including the latest iPhones (iPhone 15 Series and later).

Sturdy and Reinforced Design
The cable features a braided nylon outer sheath that is resistant to stress and wear. Reinforced connectors with a metallic coating ensure quality and durability. The reinforced design withstands everyday use and can handle stresses of over 30 kg.

Sturdy Hinged Design
Designed to withstand intensive bending and up to 15,000 flexes without damage.

Reversible Design
For even easier connections without worrying about orientation.

USB-C / USB-C & Lightning Connectivity
The ideal all-in-one solution with MFi (Made for iPhone, iPad, and iPod) certification for safely charging your Apple and USB-C devices with a single cable. Easily switch between connectors thanks to its versatile hybrid tip.

Lifetime Warranty
Force Power will replace your charging accessory with a brand new one if it is damaged!

Eco-designed with 100% recycled plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

Product Recycling
Prepaid return of old products for recycling to promote the circular economy.

Connector type : **USB C / USB C & Lightning**

Feature(s) : **Articulated and Reinforced Conception - Lenght: 1.2m - Charge Compatibility: 3A PD 60W**

Cable lenght : **1.2m**

Port(s) : **USB C / USB C & Lightning**

Power : **3A**

Material : **100% Recycled Plastic**

Carbon footprint (kg CO2e) : **1.18**

Eco conception : **100% Recycled Plastic**

Ref : **FPLI2EN1CMFICRW**

EAN : **3571211530794**

Pack contents : USB C / USB C & Lightning Cable 3A 1.2m PD 60W + Lifetime Warranty + User Guide/Security/Warranty

Technical characteristics

Universal 3-in-1 hybrid connectors : 2 USB-C ports and 1 Lightning port to charge all your Android, iOS, and PC devices.
60W Power Delivery Fast Charge (3A) : Optimal high-speed charging for smartphones, tablets, and USB-C laptops (MacBook, PC).
MFi Certified & Adaptive tip : Guaranteed safe compatibility across the Apple ecosystem and all USB-C gear.
Braided nylon & Metal connectors : Heavy-duty cable resisting wear, tear, and tensile loads up to 30 kg.
Reinforced strain relief design : Built for intensive bending, tested to withstand over 15,000 flexes.

Informations complémentaires

How the lifetime warranty works
Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.
To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:
Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers

• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
