

Tune 310C USB C Earphones Remote/Micro In-Ear Black JBL

Descriptif produit

High-resolution sound with JBL Pure Bass.

JBL Pure Bass sound, Hi-Res certified
For over 75 years, JBL has worked tirelessly to improve the precise and impressive sound found in large event spaces around the world. These headphones reproduce that signature JBL sound, with deep, powerful bass. Hi-Res audio ensures clear, accurate sound quality and a wide frequency range.

Compatible with USB-C devices
Need to connect to a PC, mobile device or gaming system? USB-C connectivity ensures compatibility with a wide range of devices.

3-button remote control with microphone
Control your music playback and volume with a handy three-button remote control. Got a call?
Answer it easily with the built-in microphone.

EQ preset control
Select Default, Bass or Vocal to find the sound to suit your tastes with the 3-button remote control on the cable.

Flat, knot-free cable
This flat, robust cable won't get tangled up in knots, even at the bottom of your bag.
