Descriptif produit

Sound and comfort wherever you are

Long-lasting battery life
With its rechargeable 500 mAh battery, these headphones offer 60 hours of listening autonomy. You can enjoy extended use without frequent recharging, perfect for travel or long listening sessions.

ANC
Active noise reduction technology that filters and attenuates unwanted external sounds. ANC gives you total immersion so you can enjoy your music to the full. It's also ideal for phone calls. By filtering out background noise, you can concentrate fully on your conversation and communicate clearly, even in noisy environments.

ENC
Advanced dual-microphone technology that effectively eliminates distracting background noise, giving you exceptional call quality. It's also ideal for voice recordings or online conferences. You can count on exceptional audio quality, free from distracting noise.

Total sound immersion
Its circumaural format completely envelops your ears, blocking out outside noise for total sound immersion. Its design guarantees optimum comfort even during prolonged use, ideal for listening to and enjoying music, TV series, films or games.

Voice control
With Siri and Google voice assistants, it's easy to control the device's main functions by voice or launch your favorite playlists.

Compact, comfortable design
The headset's foldable headband ensures a compact, easy-to-carry format, while the rotating earpieces and extendable headband guarantee optimum comfort, even during prolonged use.

Fast connection
Bluetooth 5.3 wireless technology ensures both a stable and fast connection. After a quick set-up, your wireless headset activates automatically. The headset connects immediately to your device, so you can enjoy high-quality sound.

IPX4 resistance
IPX4-certified, the headset is splash-, rain- and perspiration-resistant, so you can use it in a variety of conditions, whether it's raining or you're in the middle of a workout.

Included accessories
The headset comes with a protective carrying pouch, charging cable and audio cable, giving you everything you need to take it with you wherever you go.

Lifetime warranty
Force Play replaces your headset with a new one in the event of loss.

Eco-designed, fully recyclable packaging
Cardboard (certified responsibly managed forests), glue (vegetable-based) and ink (soy-based).

Product recovery
Prepaid return of old products for recycling to promote the circular economy.

From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
