

Play III True Wireless Earphones ANC + ENC In-Ear with Microphone White + Lifetime Warranty Force Play

Descriptif produit

A quality sound experience with a unique promise: the lifetime warranty that ensures you can replace your earbud in case of loss! Made of recycled plastic

38-hour combined autonomy
The charge box provides 38 hours of combined autonomy.

ANC
Active noise reduction technology that filters and attenuates unwanted external sounds. ANC gives you total immersion so you can enjoy your music to the full. It's also ideal for phone calls. By filtering out background noise, you can concentrate fully on your conversation and communicate clearly, even in noisy environments.

ENC
Advanced dual-microphone technology that effectively eliminates distracting background noise, giving you exceptional call quality. It's also ideal for voice recordings or online conferences. You can count on exceptional audio quality, with no interfering noise.

Voice control
With Siri and Google voice assistants, it's easy to control the device's main functions by voice or launch your favorite playlists.

3 sizes of silicone tips included
The three sizes of silicone ear tips are designed to give you a perfect fit for the shape of your ear. Enjoy enhanced sound isolation, exceptional comfort and a secure fit for an optimal audio experience. Whatever the size of your ears, the earphones are designed to fit you perfectly.

Fast connection
Bluetooth 5.3 wireless technology ensures both a stable and fast connection. After a quick set-up, your wireless earphones activate automatically. Remove them from their casing and they immediately connect to your device for high-quality sound.

Splash- and perspiration-resistant
Splash-, rain- and perspiration-resistant, our earphones are perfect for an active or sporty lifestyle. The ideal companion for work and play, without fear of water splashes or sweat!

Made from 100% recycled plastic
Our Force Play earphones are eco-designed and made from recycled plastic to reduce environmental impact.

Optimized pack dimensions
To reduce cardboard and the carbon footprint of transport

Lifetime warranty
Force Play replaces your left or right earphone with a new one in the event of loss.

Fully recyclable eco-designed packaging
Cardboard (certified from responsible forest management), glue (vegetable-based) and ink (soy-based).

Product recovery
Prepaid return of old products for recycling to promote the circular economy.

To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time

• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
