

Play Touch True Wireless Earphones ANC Touchscreen In-Earth with Microphone White + Lifetime Warranty Force Play

Descriptif produit

Headphones that make every listening experience a pleasure, with effective noise reduction and intuitive controls

35 Hours of Battery Life
Stay connected all day without having to constantly recharge. Ideal for travel, extended workouts, or a full workday with calls and music.

Smart Charging Case with Touch Control Panel
Equipped with an intuitive touch panel, it allows you to easily control crucial functions: listening to music, managing calls, activating noise-canceling mode, adjusting the volume, the equalizer, checking the battery level, and much more. You can customize your use by changing settings such as brightness and wallpaper.

ANC
This active noise-canceling technology eliminates unwanted ambient sounds. ANC ensures total immersion so you can savor every note of your music. It's also perfect for calls, allowing you to focus on the person you're talking to even in noisy environments.

Easy Controls
Enjoy simplified control with touch and voice commands. Whether you're adjusting the volume, changing tracks, or launching your favorite playlists, everything is accessible with a simple gesture or via Siri and Google Assistant voice commands.

Splash and sweat resistant
Our water, rain, and sweat-resistant earbuds are perfectly suited to an active or sporty lifestyle. They're the perfect companion for work and play, without fear of water or sweat!

Ultra-fast connection
Bluetooth 5.3 wireless technology guarantees a fast and stable connection. After easy installation, your wireless earbuds activate automatically. Simply remove them from their case and they instantly connect to your device, providing you with optimal sound quality.

3 silicone eartip sizes included
To fit your ears perfectly. Enjoy better sound isolation, incredible comfort, and a secure fit for an ideal listening experience. Whatever your ear size, our earphones are designed to fit you perfectly.

Lifetime Warranty
Force Play promises to replace your right or left earphone with a new one if lost.

Environmentally friendly, fully recyclable packaging
Made of cardboard (certified for responsible forest management), vegetable-based glue, and soy-based inks.

Product Recycling
Prepaid shipping for the return of old products for recycling, promoting a circular economy.

To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
